Abusive Relationships in YA Fiction 92 books Goodreads

The Fifty Shades trilogy, while abusive, is not YA; City of Bones doesn't really have any abusive relationships with the possible exception of the one between (spoiler alert) Jocelyn and Valentine, but it isn't the focal point of the book, is long over by the time the book begins, and the full extent of Valentine's abuse isn't even fully expanded upon until City of Glass.

Popular Abusive Relationship Books Goodreads

The volatile, abusive, and sometimes dangerous reactions that abusers can have when relationships draw to a close have often been considered, especially by psychologists, to be evidence of the man's fear of abandonment.

The View from Alameda Island by Robyn Carr Paperback

There are definitely some difficult scenes in this book so it's not an escape book, in my opinion. There is some lovely romance later on in the book to lighten the mood. All in all, I enjoyed this book but take one star off for the doom and gloom I felt while reading some parts and give it 4 stars. *This book was provided to me by Little Bird Publicity. I received a copy of this book to review
