### **Darwinism in Philosophy Social Science and Policy**

Darwinism in Philosophy, Social Science and Policy Though naturalists may disagree among themselves about what the goals are that science successfully secures or increasingly approaches, naturalism argues for the progressiveness of science. For this reason we may rely on present science to illuminate and explain the progressiveness of past science. And we may rely on it to provide reasonable

### **What is Social Darwinism Science AllAboutScience org**

Social Darwinism is an application of the theory of natural selection to social, political, and economic issues. In its simplest form, Social Darwinism follows the mantra of "the strong survive," including human issues. This theory was used to promote the idea that the white European race was superior to others, and therefore, destined to rule over them.
