Old Testament vs New Testament What are the differences

The Old Testament saw paradise lost for Adam; the New Testament shows how paradise is regained through the second Adam (Christ). The Old Testament declares that man was separated from God through sin (Genesis 3), and the New Testament declares that man can be restored in his relationship to God (Romans 3 6).

If you want an easy to read modern translation, but are not concerned about technical accuracy, then the New International Version (NIV) is helpful, as are some other modern versions. If you want technical accuracy (for the purposes of doctrinal correctness) without easy to read English, then the Concordant Literal translation or other literal translations are worth referring to.
