One Planet Communities A Real Life Guide to Sustainable

The approach which links the science of ecological footprinting to a simple framework of principles, and how the framework is being applied to create a coherent approach to projects in the UK, Europe, USA, South Africa, the Middle East, China and Australia, It also draws on other examples of best <http://chrismillerworks.co/One-Planet-Communities--A-Real-Life-Guide-to-Sustainable--.pdf>

One Planet Communities A real life guide to sustainable

In "One Planet Communities: A real-life guide to sustainable living", Pooran Desai brings into one relatively compact space a wealth of information from which he assembles ten guiding principles for the design of sustainable developments. These principles are simple, but far-reaching; this really is a practical guide for community planners and large-project architects, with the guiding
