The School For Good And Evil Book by Soman Chainani

Rated 4 out of 5 by Ariya from The School for Good and Evil This book was a little slow, but if you are looking for a book where you just want to know what is going to happen, I strongly suggest this. It was really mysterious, and you could feel the emotions the characters were feeling. Overall, this was an enjoyable book.

A World Without Princes The School for Good and Evil 2

The School for Good and Evil had some worrisome themes, but I was hoping they would be cleared up in A World Without Princes. Actually, though, the messages of the series have only gotten more upsetting with time. Though I did still really enjoy listening to the book, and Lee's narration is totally on point, I can no longer ignore the rage-inducing aspects.
