Storm Runners by Roland Smith is the first novel in the Storm Runners series and was released in 2010. When the storm of the century hits, amateur storm runner Chase Masters will be in for the biggest storm of his life and be tested more than he could ever imagine. Everything he has been taught by his father to do when something like this is about to happen is about to come in very

Storm Runners 2 The Surge by Roland Smith

My only quibble is how the story is divided between books so far. I would have liked to see Storm Runners #1 and Storm Runners #2 published as a single book. #1 felt like it cut off in the middle of a single adventure without even a partial resolution to events still unfolding.

Storm Runners Roland Smith 9780545081771 Books Amazon ca

If you put the two Storm Runners books together they are still not as thick as the Cryptid Hunters book. So, I spent \$11.98 for two books that are smaller than one I spent \$6.99 for. Not sure if this was a marketing strategy or the publisher just wanted more money, but in my opinion, this was not the best way to present the story.
