The Complete Book on Balancing in Contract Bridge Mike

The first edition of "The Complete Book on Balancing in Contract Bridge" was published in 1983. I would rate this five stars. The new edition has updates to reflect current bidding trends and tweaks to Lawrence's recommendations from the old book. The new edition (published in 2012) has more than twice as many pages as the first edition. In short, the 2012 edition is a big upgrade on the 1983 edition.
