The Nelson Study Bible is among my favorite Bible references. Maps, historic information, book, chapter, and verse details help reveal full meaning of scripture, page-by-page. I use a number of reference and study Bibles for teaching and for sharing the Gospel. The Nelson Study Bible is one of my two favorite Study Bibles.

What I ordered and what I wanted was the book that was pictured and described - the 1997 hardbound edition of the Nelson Study Bible but what I received was the 1982 leather bound version. I wanted the older, original publication in the hardbound format. I do not like leather bound Bibles. I am very displeased.
